Notice to Parents and Drivers

PROPER PROCEDURES FOR THE RELEASE OF STUDENTS FROM THE BUS.

Any student that boards the bus must not be released to anybody other than a school official. This means Principal, Teacher or Aid. If you are not sure that the person coming to get the student is a school official, call the appropriate school and ask. Parents wanting to get your child off of the bus after he or she has boarded must go to the office and ask a school official to have your child released from the bus.

THE DRIVER SHOULD NEVER PUT A STUDENT OFF THE BUS AT A NON SCHEDULED STOP.

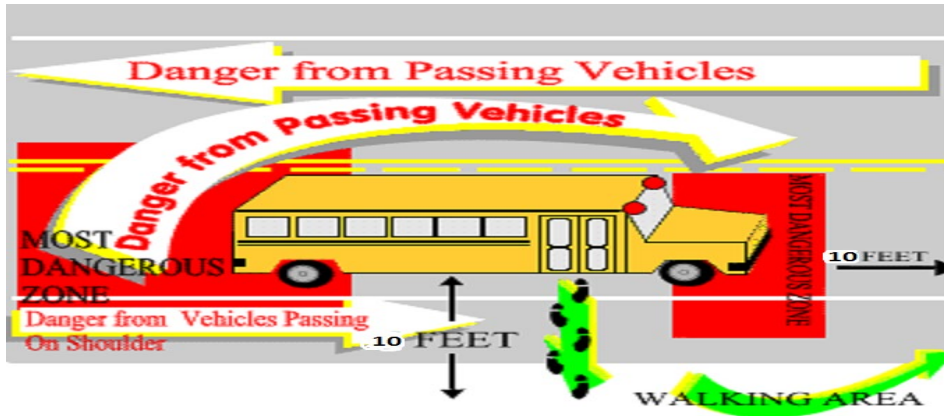

A driver should never permit a student to leave the bus, other than school or home. Written permission must be signed by a parent or legal guardian and by the office of the child's school before a student can be released at a stop other than the normal scheduled stop.

PERSHING COUNTY SCHOOL DISTRICT RELEASE OF STUDENTS AT BUS STOP

Regular Route Stop: Students will be released from the bus at their regular scheduled route stop. Once the students have been released from the driver and are outside of the danger zone, the District is no longer responsible for the children at that stop any longer. The Danger zone is described by the State of Nevada School Bus Driver Training Manual as the 10 feet around the bus. (See Diagram at bottom of page)

Special Needs Route Stop: Special Needs Stops are Curb to Curb. Once the driver arrives at the regular scheduled stop in front of the student's house, a parent or somebody appointed by the

parent must be there to take custody of the student at the stop. Once the child has been released to the person taking custody of the child the district is no longer responsible for the child. If the parent or person appointed by the parent is not at the stop to take custody, the driver will wait 5 minutes and proceed to the next stop and the aid will call the school and inform them that no one was at the stop to pick up the child. After all stops have been made the driver will return the student that was not picked up back to the school. A list of route times for pick up and drop off will be given to the parent within 15 days of the student first riding the bus. Parents will be notified if changes to the route affect the pickup and drop off times of that student.

Even so, last year , approximately 26 students were killed and another 9,000 were injured in incidents involving school buses. More often than not, these deaths and injuries didn't occur in a crash, but as the pupils were entering and exiting the bus.</p>

POLICY REGARDING HARASSING AND BULLYING

Definitions:

Harassing- continually bothering, pestering, persecuting, or tormenting another person. Usually takes the form of verbal or no verbal behavior, without physically aggressive actions.

Bullying- frightening, threatening, fighting or hurting those who are smaller, weaker, or can't defend themselves. Usually takes the form of physically aggressive actions coupled with verbal and non-verbal behaviors.

Teasing and kidding based on friendship and kindness between friends who like and respect each other are acceptable behaviors within appropriate social limits. When teasing and kidding become unwelcome and not asked for they become unacceptable behaviors.

Those unacceptable behaviors are defined above as harassing and bullying which are forbidden on the school bus. The actions may take many forms:

<u>Verbal</u>	<u>Non-verbal</u>	<u>Physical</u>
Demands to do something	Staring/ "mad dogging"	Physical
Insults	Insulting sounds	Touching, holding
Threats	Insulting gestures	Pinching
Spreading rumors	Getting friend to do it	Grabbing
Sending nasty notes		Hitting, punching
Name calling		Tripping, kicking
Dissing ("disrespecting")		Gum in hair
Prank phone calls		Throwing things at the

Person
Physically attacking
Taking belongings
Damaging belongings

In simple terms, harassing and bullying are deliberate and/or repeated behaviors towards another person

THAT ARE NOT WELCOME AND NOT ASKED FOR.

If you feel you have been a victim of harassing or bullying. Please notify your bus driver, teacher, counselor, or an administrator immediately. If it is confirmed that harassing or bullying did occur, disciplinary action will be taken against the harasser or bully that may range from phone calls to parents, parent conferences, detention or suspension, to the filling of formal charges with the police.

With your awareness of what harassing, and bullying are, be responsible for your own appropriate behavior. Think about your own action and how other people may interpret them.
